S TEAM 6,782.39

Principal's Report Cindy Matte

During Friday's PLC, ½ the student population came in at the start of day. They could choose where to go, the gym, computer room, cafeteria, library, clubs and or organizations. Hall passes were given out when switching rooms. Teachers made significant gains in accomplishing work. The time has already proven to being very beneficial. Teachers loved the opportunity to analyze and discuss the midterm scores and to record that data for the curriculum connector.

The Diary Map Curriculum Connector is a data base that is the most popular software for curriculum mapping in the country.

School board will reevaluate the PLC on Friday mornings in 18 months.

V land virtual local area network, will be put in over April vacation and then tested to see if it works so that by May the school will be wireless. Everyone will be able to bring in and work on their own lap tops.

Looking at budget to see where cuts can be made.

June 18 Graduation, pending no more snow days.

School Board Janice Tremblay

The school board will be bringing up two warrant articles. One entails the cost of living increase for professional staff of 36,649. The other warrant is for support staff and it is for \$14,376.

The cost of living increases is decided upon by the evergreen clause that was passed by the state last year.

District meeting March 16th 7:00p.m. in High School Auditorium

S TEAM Janet Listowich

Lynn Post and Kimber Harmon put together the survey for the alert now. There were 42 responses. Lynn posted them to the board and discussion followed.

K.C. Maynard emailed the student survey to seniors and within 24 hours received 72 responses.

Janet is putting together the fund raising letter and will submit to board any corrections.

Vice President Kristen Berry

All set for today's sweet day in honor of Valentine's Day. Need a date for the Junior's Field Day. We will be selling chips, water, cookies and brownies during COOP Meeting.
