President, Maryanne Shanley, report: Cindy VanCoughnett has received a registration form for Old Home Days; the Athletic Booster club will have a booth on Saturday. Do we want to sell food on Friday evening again? An interim superintendent is being hired for July 1 to June 30. Monica Gallant did not have the Open Mic nite; she'll try for the fall. The Co-op school board will vote on Cav Block at their next meeting, Wed May 15th. It would be Tues, Wed, Thurs 9:45-10:30 AM. The 82 minute blocks would be shortened to 70 minutes. The Cav Blocks would be assigned by grade; seniors could go to lunch during Cav Block to reduce crowding in the cafeteria. And we'll be able to distribute directories to students through their Cav Block next year. We need to decide whether to increase the price per directory and also the price for dues. At our next meeting, we also need to elect officers for next year. The nominees for 2013-14 officers are: Maryanne Shanley – President, Kimber Harman – Vice President (without Staff Appreciation task), Dianne Bonta – Treasurer, Deb Drouin – Secretary. Anyone with other nominees, please contact Maryanne.

Principal, Cindy Matte, report: Cav Block could be used for AP testing study sessions. There have not been any sign-ups for the safe driving course. Nathan's Walk will be on Tues May 28, an early release day. The school will provide lunch and ask that students donate the cost of their lunch to a fund for freshman Nathan Etchells. The spring play, Dinner with Neil Simon, will be May 30th & 31st. HBHS was #1 in NH & #563 in the US according to Newsweek. The high school is looking to hire a librarian, a physics teacher and a chemistry teacher.
