

HBHS PTSA Minutes 4-10-2014

8:45AM-Meeting called to order

Attendance: Kimber Harmon, Bonnie Frisard, Debi Davis, Dianne Bonta, Maryanne Shanley, Deb Drouin, Rick Barnes

Minutes from 3-13-14 meeting were presented and approved.

Staff Appreciation, Debi Davis: May staff appreciation will be sandwiches and salads, a picnic theme. It will probably be during the second week of May; Debi will check with Deb Champigny.

Treasurer, Dianne Bonta, report: Concessions at the Annual Co-op meetings brought in \$1366. The third night, we sold pizza but there was leftover. There were also leftover snacks. Next time, we need a banner so people know we're the PTSA.

Operating Account balance: \$11,066.90 on 3-31-14

S-Team Account balance: \$ 6,559.67 on 3-31-14

President, Maryanne Shanley, report: We'll need officers for 2014-15. Kimber offered to recruit at the parents' meeting for incoming freshmen and at Open House in the fall. The next Co-op board meeting will discuss the vote at the annual meeting recommending that the Co-op reject Common Core.

Interim Principal, Rick Barnes, report: The next deadline with NEASC is May 14th. If we lose accreditation, it will be after next year's transcripts (class of 2015) and guidance can help the following year's seniors (class of 2016) with their college applications (without the NEASC seal on the transcripts). The results of the Youth Risk Behavior Survey are in and will be presented when they can be presented in a clear context. A forum in the evening doesn't get enough attendance to publicize the results to everyone in the community equally.

Other business: Kimber asked if we would give a donation to the Hollis (elementary schools) PTA. No one felt we should give them a donation or even that they need the money. No motion was made, or vote taken.

Meeting was adjourned at 10:15 AM

Next meeting: Thursday, May 8th at 8:30 AM in the Conference Room

Wed, April 9th – end of third quarter, report cards approximately a week later

Wed, April 16th – monthly Co-op Board Meeting 6PM at HBMS
