**President, Maryanne Shanley, report:** Membership this year is 200 so far. The Directories have been sent to the printer. We expect to distribute them next week. Teachers need hand sanitizer and tissues for their classrooms; they could be brought in during conferences or left in the office anytime. The Co-op School Board will decide which apportionment formula to present to voters during their meeting next week now that the Apportionment Committee has decided on their recommendation. There may be a special meeting in Jan to vote on apportionment.

**Staff Appreciation, Farrah Coady, report:** Staff Appreciation is scheduled for Thursday, Nov 20<sup>th</sup> during Parent/Teacher conferences. Sandwiches will be purchased. We are asking for donations of salads, desserts, and drinks. Sign-ups are on Sign-up Genius.

**Treasurer, Dianne Bonta, report:** The HBHS PTSA 2014-15 Budget was presented and discussed. Refreshment sales at the Annual Co-op meeting are not expected to be as profitable. The directories will cost more to print but are still profitable. Staff Appreciation and Reflection program expense line items were increased. Maryanne made a motion to approve the 2014-15 Budget, Bonnie seconded and all approved.
