Principal, Rick Barnes, report: Graduation plans are underway. Students will attend Dr. Malcolm Smith's Anti-Bullying presentation during Cav Block and the same presentation will take place during the evening of Tues May 17th. The Youth Risk Behavior Survey results showed an increase of stress at HBHS. HBHS has the longest school day in the region. The Start Time Committee survey is available on SAU41.org

President, Maryanne Shanley, report: Yesterday's Staff Appreciation went well. There were just enough sandwiches. Remaining salads & desserts were put in the fridge or left in the Staff room. The By-laws were approved by NH PTA and are good for 3 years. Adam McQuilkin won a National award in the Reflections competition. HB students placed in four areas of the NH Liquor poster design contest including 2nd place overall. Officers for next school year are Pres-Maryanne Shanley, VP-Farrah Coady, Sec-Katie Corsetti; anyone interested in being Treasurer please contact Maryanne.

Treasurer, Kathleen Moynihan, report: Expenses included reimbursement for the Nov Staff Appreciation, a gift card (\$25 +fee) for SRO Bergeron's Alcohol Awareness Poster Contest. We'll try to use up the Garden Project Fund this spring. The S-Team acct should be moved to the PTSA acct and made a line item in the budget with a new name. Holly would like to sponsor more Substance free events and Substance Abuse Prevention such as those offered by CAST & the SRO (Alcohol Awareness Poster Contest, Fatal Choices Program, etc)
