

HBHS PTSA

Minutes – April 14, 2017

Attendees: Holly Babcock, Rick Barnes, Katie Corsetti, Bonnie Frisard, Maryanne Shanley, and Cindy VanCoughnett

Treasurer Report: No changes/activity from last month. Ending balance: \$14,676.15

Principal Report: In May there will be alcohol awareness before the prom. Officer Bergeron will also run the seatbelt challenge. Graduation is June 10.

Other business:

The \$500 PTSA scholarship came from a separate account from outside funding. The balance is currently at \$517. It was motioned, seconded, and accepted to give this year's recipient the total balance and close out this account. The Guidance Department makes the recipient decision based on an essay contest.

Staff Appreciation luncheon is in May. Maryanne will check on the date.

The "High and Seek" program that PTSA was in favor of bringing to HB parents is no longer being offered.

It was motioned, seconded, and accepted to give \$100 of PTSA funds to contribute toward gifts the Administration is preparing for Secretary Day.

Not many directories were sold (under 50). It is a lot of work to put them together. PTSA will need to determine if they should be done again. PTSA will need to determine fundraising opportunities. Discussion followed about athletic fundraisers and encouraging teams to support the Booster Club as opposed to teams running their own fundraisers.

Next meeting: Friday, May 12 at 8:30 a.m.

Respectfully submitted by Katie Corsetti
