Jean Filer introduced several Hollis Brookline High School Alumni who are currently college freshman. The students were invited to speak to parents about the pro's and con's of college life. This was a great meeting and very informative, especially for those of us with students that will be heading off to college soon.

Jean Filer gave a summary regarding the Parent Series scheduled for Feb 15, 2006. There is a small group protesting this meeting. The guest speaker from Planned Parenthood is scheduled to speak to parents on "How to talk to their teens about sex". Several parents have requested this particular series and it is open to those interested in the topic.

Allison Ferrell has requested \$100.00 to purchase desserts for a Valentine Day surprise for the staff. Donna Cormier made a motion to give staff appreciation \$100.00 to purchase desserts for the staff. Tammy Campbell second the motion. All were in favor. The motion passed.
