Cindy Matte, Assistant Principal, answered questions:

- Course selections will be online this year. Students can complete their course selections from computers at home. Instructions will be provided. Parents and teachers will still sign off on courses.
- If there are 2 or fewer snow days by February vacation, graduation will be on June 9. If there are more than 2, graduation will be postponed until June 16.
- The junior class has been conducting a fundraiser survey at lunch that will match students with their best and worst mates!

Tracy Dunne, Resource Officer, spoke about her job:

- The position incorporates law enforcement, teaching, counseling, and safety.
- Important goals include prevention and students feeling comfortable with her.

Thanks to Cindy and Tracy for their time and input.
