Introductions:

**Jean Filer (co-president) welcomed everyone and introduced the PTSA board (Lex Bundschuh Co-president, Cindy Ullrich 1st Vice president/Volunteer Coordinator, Karen Bedell Treasurer and Lisa Schmalz Secretary).

**Jean Filer introduced the new HBHS principal Tim Kelley. Mr. Kelley was excited to be at HBHS and was impressed by our enthusiastic staff and polite students!! Mr. Kelley has challenged the students to keep a clean building and has already seen a difference in the school! The website is now being updated by Mr. Boucher and should become a better communication tool for parents and students. Mr. Kelley will work with the PTSA to have department heads attend our monthly meetings. Lastly, Mr. Kelley reminded parents the first production number of the year "Greater Tuna" was being held in the auditorium on Sept. 9th and 10th.

Communication:

It was suggested that future PTSA meetings be posted in the local papers. All meetings are held the second Thursday of each month at 7:00pm in the small cafeteria. PTSA minutes are posted on the school website.

Membership:

Membership is an inexpensive way to show support for the PTSA! Parents and students are encouraged to join. Forms are available on the website and can be dropped off in the office. Mr. Kelley suggested that the PTSA set-up tables to collect money for membership on each floor during the open house on September 22, 2005. It was suggested that student council students help because parents will want to be in the classrooms.

Donna Cormier is collecting the membership (THANKS Donna!!!) .

Fundraising:

Marie Kopf suggested that we sell bumper-stickers with the Cavaliers logo on it. Marie and Jean Filer will investigate this project.

Computer Lab Volunteers:

The computer lab is in need of volunteers to run the computer lab. Students cannot use the lab during study without an adult in the room. This is a great way to meet the students! No experience necessary!! If you can help or want more information please contact Marsha Cone-Roddy (marsha@hollistech.com) . THANKS Marsha for coordinating the lab!!!

Old Homes Day:

Once again the PTSA will join the Middle School PTSA selling hamburgers and hot dogs at Old Home Day!! Trish MacDonald from the Middle School will organize purchasing the food. Andrea John's will coordinate the volunteers.
