Secretary Report/ Kimber Harmon

Janet Listowich made a motion to accept, Barbara Bruinooge seconded. Minutes approved.

Treasure Report/ Lyn Post

Lynn presented the 2010- 2011 budget. For both the operating account and the S-Team account, projected expenses exceed revenues. For the operating account, we took in less revenue from membership and directories; the solicitation forms were not sent to households as paper form. For the S-Team budget, we simply raise less than the cruise event costs.

Both of these accounts carry a fairly large balance from year to year. On 10/25/10, the executive committee voted to fund the shortfall from the large balances in the accounts and thereby show a balanced budget. This shows up as an additional line item in each account's budget called "Balance Sheet Contribution."

Budget for 2012/2011 Operating Account	3059.00	S TEAM	11835.04
Monthly Report Operating Account	9,947.13	S TEAM	7,182.39

We are 1 of 41 high schools that received the award; a total of 314 schools nationally received the award. Only 2 NH schools received the award this year. The last time a NH school received the award was in 2005.

The award is based on meeting certain requirements and a certain percentage of increases of test scores that the students take. A school can only win this award every three years.

Students will receive a blue ribbon on their diploma and may state on college applications that they attend a blue ribbon school.

In December, the NH DE will have a presentation for the two schools.
